TASTING:

- **Appearance:** pale yellow, brilliant colour with a persistent line of bubbles
- **Nose:** pleasing and soft, typically reflecting the Côte des Bars' pinots noirs. We detect litchi combined with a beautiful freshness of the white fruit flavours.
- **Taste:** At first there is a distinctive sensation of peach and acacia notes illuminating the palate, which leads to a roundness and structure from the pinot noir. This is followed by a wonderful lengthy interlude filled with hints of red fruits.

FOOD AND WINE MATCHING: serve as a mid-day aperitif, with smoked salmon, rabbit on a mustard sauce, grilled lobster, oyster, dry ham...
